Miracle Avenue , Magboro , Ogun +234 Nigeria | 09034495638 | mcdonaldsamure91@gmail.com

## PROFESSIONAL SUMMARY

As a software engineer, I am excited to embark on a career that combines my passion for technology with my desire to make a meaningful impact. With a solid foundation in programming languages, algorithms, and data structures, I am eager to learn and grow in a dynamic, fast-paced environment. I am a creative problem solver with a keen eye for detail, and I am committed to delivering high-quality software solutions that meet client needs. As a team player with excellent communication skills, I am excited to collaborate with colleagues and contribute to the success of the organization.

## SKILLS

- Back-end architecture design
- Database administration
- Teamwork
- Validate code
- Team Leadership
- API integration
- Software engineering
- Verbal communication
- Public Speaking

## EXPERIENCE

JUNE 2022 - CURRENT

*Full Stack Software Engineer | ALX | Remote, Full Stack Developer Intern*

- Tracked software and website development from initial inception through full lifecycle launches.
- Developed functional databases and applications to support solution backend operations.
- Integrated RESTful services and third-party APIs into legacy products and new solutions.
- Oversaw testing and deployment of data-driven changes to front-end UI and backend service customizations.
- Produced code in programming languages such as Python and JavaScript to create the most effective and clean websites.

- Continuously studied and improved abilities with wide range of web technologies, design tools and programming practices.

AUGUST 2022 - SEPTEMBER 2022

*Mobile App Developer Intern | SideHustle | Lagos*

I was taught on how to use Flutter to create Mobile Applications. We had series of lectures and also collaborative Session with technical mentors and other Interns.

## EDUCATION

---
